OVERVIEW

STOHB, BUCKNOR & DURSON's Advocacy and Dispute Resolution Practice offers exceptional representation, litigation strategy, and conflict resolution services across a wide range of industries and fora. Our team is composed of seasoned litigators, arbitration specialists, and regulatory strategists who combine deep legal insight with tactical clarity to resolve disputes effectively — whether in court, before administrative tribunals, or through alternative dispute resolution (ADR).

In addition to formal dispute resolution, we provide clients with strategic support in legislative and policy advocacy, assisting in the development, interpretation, and reform of laws and regulations that impact their industries and operations. We have a track record of engaging with government, regulators, and multilateral institutions to advance sound public policy and defend client interests.

Our practice is rooted in strategic risk management, helping clients prevent, resolve, or mitigate disputes through a combination of legal precision, commercial awareness, and policy engagement.
