PRACTICE INTRODUCTION

Our General Commercial Practice serves as the cornerstone of **STOHB & DURSON's** transactional and regulatory advisory capabilities. We offer end-to-end legal support across all facets of commercial law, providing strategic guidance to clients navigating Nigeria's complex regulatory, contractual, and operational environments. We advise a diverse range of clients, from domestic enterprises to multinational corporations, government agencies, and public institutions, across the entire lifecycle of their business operations—from establishment and corporate structuring to commercial contracting, compliance, intellectual property, and dispute resolution.

SCOPE OF SERVICE

- Corporate structuring, governance, and advisory
- Drafting, review, and negotiation of commercial contracts
- Regulatory advisory and compliance strategy across federal, state, and local jurisdictions
- Intellectual property registration, protection, and enforcement
- Market-entry support for foreign investors and multinational corporations
- Licensing, permits, and statutory approvals across multiple sectors
- Company secretarial and board advisory support
- Commercial litigation and regulatory enforcement defence

SELECTED EXPERIENCE

- Structured and negotiated high-value commercial contracts for clients in real estate, aviation, hospitality, infrastructure, and consumer goods sectors.

- Provided corporate governance and company secretarial support to boards and executive management teams of top-tier Nigerian enterprises.

- Advised on regulatory compliance frameworks and obtained required licences for market entry by global brands.

- Handled intellectual property litigation and opposition proceedings for trademark and copyright protection.

- Handled complex labour and industrial relations issues management and disputes resolution.

- Supported the sale and restructuring of commercial entities, including legal due diligence, transaction documentation, and regulatory liaison.

WHY CLIENTS CHOOSE US

01.

We combine commercial understanding with legal precision.

02.

We are proactive, strategic, and deeply familiar with Nigeria's legal-regulatory landscape.

03.

We bring cross-sectoral experience that ensures relevance and efficiency.

04.

We deliver clear, actionable legal advice with a deep appreciation of client goals.

05.

We are a trusted partner to boards, C-suite executives, legal departments, and regulatory teams.

OUR APPROACH & PHILOSOPHY

- ▶ We approach commercial legal work with a pragmatic and partnership-driven mindset. Our lawyers are trained to anticipate client needs, tailor strategies to their risk appetite, and deliver solutions that are business ready.
- ▶ We see ourselves not only as legal advisors but as enablers of commercial success. This means integrating legal advice with commercial, regulatory, and reputational considerations to deliver outcomes that last.

KEY CONTACTS / TEAM

Our commercial law team includes specialists in company law, regulation, IP, transactions, and litigation. We deploy focused teams based on the nature of the assignment, drawing from our full-service capabilities.
